"You were the perfect opening keynote speaker for our conference. Your energy helped jumpstart our attendees for the two day conference. We received a ton of feedback stating you were the highlight of the conference and that they truly walked away with something to take back with them to their office. We were very fortunate to find you."

Julie Callahan, Oklahoma State Human Resources Conference Chair

"We have used Rhett for several workshops. Regardless of the audience, adults or youth, Rhett has always delivered the right message at the right time. AQHA is so thankful to him for helping us meet our mission."

Leman Wall, American Quarter Horse Association
