TESTIMONIALS RHETTlaubach

"As always, Rhett brought a wonderful energy as well as tangible information to the group. His experiential style was appreciated by all especially since we asked him to do the dreaded, after-lunch slot. Rhett invigorates every group to which I've had the fortunate opportunity to observe and the class loved his insights on leadership and, more specifically, the art of mentoring others."

~ Elaine Dodd, Vice President, Fraud Training, Oklahoma Bankers Association

"Rhett connected with my sales team and had a very positive impact. He was well worth the time, energy and investment. He was well prepared, engaging and committed to bringing a well-presented message to our sales team. His impact will not soon be forgotten!"

~ Steve Hipson, Oklahoma City Branch Manager, Patterson Dental

"The first speaker I have encountered who is not only inspirational, but also gives extremely valuable information and resources. I have heard Rhett speak three times and have NEVER been disappointed and neither will you!"

~ Shellee Beatty, Human Resources Coordinator, Stillwater Medical Center

"Outstanding job. Many, many employees approached me afterwards to comment on how much they enjoyed your presentation. Your presentation was exactly what we were looking for. I would like to discuss future presentations where we can expand on what was presented." ~ Fred Koebrick, CEO, Indian Health Service

"You were the perfect opening keynote speaker for our conference. Your energy helped "jumpstart" our attendees for the 2 1/2 day conference. We received a lot of feedback stating you were the highlight of the conference and that they truly walked away with something to take back with them to their office. We were very fortunate to find you. Thanks again."

~ Julie Callahan, 2005 Oklahoma State Human Resources Conference Chair

"We have used Rhett for several company workshops. Regardless of the audience, adults or youth, Rhett has always delivered the right message at the right time. AQHA is so thankful to YourNextSpeaker for helping us meet our mission."

~ Leman Wall, American Quarter Horse Association

"Talk about excitement and enthusiasm around the whole bank. I got calls from people who didn't go that said they have heard they missed out and call after call from those who attended about how excited they are about everything going on. I thought the workshop was perfectly organized and very effective in reaching our goals and we had great input and ideas from every group. Thank you so much for coming, it was just unbelievable, encouraging and uplifting! I keep thinking about it and am getting excited for the next time we have you back."

~ Amy Bailey, Training Director, Citizens Bank

"You will never know how much you impressed us and how much we enjoyed your presentation. Thank you for speaking at our Court Clerk Conference!" ~ Sandra Harrison, Oklahoma Municipal Court Clerks
